

TABOADELLA

1255

Grande Villae white is a wine that embodies the irreverence of its region, where the Encruzado grape variety showcases Taboadella terroir without filters, just as we envisioned it. It reveals aromatic complexity and presents itself firm, full-bodied, with a silky texture and remarkable linearity. Featuring the vibrant freshness characteristic of the Encruzado, which is enhanced by its aging in cement tulips, this is a wine with striking minerality that only the Dão region can offer. Deep, it finishes long, persistent, and incredibly precise.

2022 HARVEST

From the 6th of September to the 3rd of October

An atypical spring, initially quite cold, combined with the deliberate technical option to delay pruning, led to a delay in the overall harvest cycle, making it possible to avoid exposure to the late frosts that occurred in the first half of April, in the Dão Demarcated Wine Region. Flowering of the vines in the sunny weather propitiated generous formation of the grapes, giving rise to complete bunches. There was no rainfall in June, July and August, with high daytime temperatures and mild nights, which permitted good development of the bunches. These thermal amplitudes in the perfectly planted and adapted vineyards, combined with the high level of water in the subsoil, enabled balanced evolution of the maturation process, and resulted in an exceptional quality of the grapes. The specific conditions of Taboadella's microclimate enabled us to make wines with a profile and richness that reflect this unique terroir. The white grapes benefited from a high concentration of aromas and structure in this year of extraordinarily favourable climatic conditions.
